

Camissa SA Balanced Fund

November 2023

Date of issue: 11 December 2023

Risk/return profile

The fund has a balanced mandate and investments are diversified across domestic equities, bonds and cash. The fund is actively managed and is positioned in our best ideas, based on our team's proven research process. The fund is Regulation 28 compliant.

Portfolio Manager
Gavin Wood
BBusSc, FFA, CFA

Fund objective

The fund aims to deliver strong capital growth and income over the long term and thereby significantly outperform the average competitor balanced fund.

This fund is suitable for investors seeking exposure to the South African capital markets and able to withstand short-term market fluctuations in pursuit of high capital growth over the long term. The fund is retirement fund regulation compliant and is suitable for investors in retirement fund solutions.

Pricing: All funds are valued and priced at 15:00 each business day and at 17:00 on the last business day of the month. Forward pricing is used. The deadline for receiving instructions is 14:00 each business day to ensure same day value. Prices are published daily on our website.

The Camissa unit trust fund range is offered by Camissa Collective Investments Limited (RF) (Camissa), registration number 2010/009289/06. Camissa is a subsidiary of Camissa Asset Management (Pty) Limited [a licensed financial services provider (FSP No. 784)], the investment manager of the unit trust funds. Camissa is a member of the Association for Savings and Investment SA (ASISA) and is a registered management company in terms of the Collective Investment Schemes Control Act, No 45 of 2002.

Unit trusts are generally medium to long-term investments. The value of units will fluctuate and past performance should not be used as a guide for future performance. Camissa does not provide any guarantee either with respect to the capital or the return of the portfolio(s). Foreign securities may be included in the portfolio(s) and may result in potential constraints on liquidity and the repatriation of funds. In addition, macroeconomic, political, foreign exchange, tax and settlement risks may apply. However, our robust investment process takes these factors into account. Unit trusts are traded at ruling prices and can engage in scrip lending and borrowing. Exchange rate movements, where applicable, may affect the value of underlying investments. Different classes of units may apply and are subject to different fees and charges. A schedule of the maximum fees, charges and commissions is available upon request. Commission and incentives may be paid, and if so, would be included in the overall costs. Camissa has the right to close the portfolio to new investors in order to manage it more effectively in accordance with its mandate. Additional information is available free of charge on our website or from Client Service.
