The Camissa unit trust fund range is offered by Camissa Collective Investments (RF) Limited (Camissa), registration number 2010/009289/06. Camissa is a member of the Association for Savings and Investment SA (ASISA) and is a registered management company in terms of the Collective Investment Schemes Control Act, No 45 of 2002. Camissa is a subsidiary of Camissa Asset Management (Pty) Limited [a licensed financial services provider], the investment manager of the unit trust funds. Camissa has the right to refuse an application if it considers an investor to be a high risk and/or especially sanctioned

Investments in the selected Collective Investment Schemes in Securities (unit trusts) are made and administered subject to the provisions of the Collective Investment Schemes Control Act No. 45 of 2002, in accordance with the deeds of such funds and subject to each scheme's fee structure as amended from time to time. Based on Exchange Control Regulations, certain unit trust portfolios are subject to availability. All of the funds listed in our fund range (on page 12) may be capped at any time in order for them to be managed according to their respective mandates. Unit trusts are generally medium to long-term investments. The value of units will fluctuate in line with market and exchange rate movements. Past performance should not be used as a guide for future performance. Unit trusts are traded at ruling prices, which are calculated on a Net Asset Value (NAV) basis. NAV refers to the value of the fund's assets less the value of its liabilities. The Camissa funds, with the exception of the Camissa Islamic funds, may engage in scrip lending and borrowing (up to 10% of the value of the fund). Camissa will engage in borrowing if a fund has insufficient cash or if its assets cannot be released to repurchase or cancel units. All funds are valued and priced at 15:00 each business day and at 17:00 on the last business day of the month.
